Finance Terms and Conditions

Please take the time to read the information below, which relates to your fee payment.

You can either chose to self-fund your programme of study or apply for a tuition fee loan from Student Finance England/Wales/Northern Ireland. If you have applied for a tuition fee loan from Student Finance England or regional equivalents and this has not yet been approved you will still be permitted to enrol but please be aware that you are personally liable for the fees due for the current year of study even if you're subsequently found not to be eligible for the funding you have applied.

Your tuition fees are as shown in your unconditional offer letter.

The information below provides you with details of your fee liability if you withdraw from the course.
